

# INSULATORS

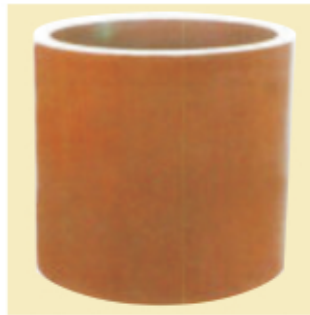

## INSULATORS :

**UNICON** is offering high alumina porcelain insulators for ESP which withstands high temperature, high mechanical load and high voltage. These insulators are designed to withstand high stress levels. The insulators are dimensionally suitable for all major makes of ESP including Chinese make ESP.

## ESP INSULATORS :

**CONICAL SUPPORT INSULATOR**

**CYLINDRICAL SUPPORT INSULATOR**

**SHAFT INSULATOR**

**WALL THROUGH BUSHING INSULATOR**

**PIN INSULATOR**

**SUSPENSION INSULATOR**

**DUCT SUPPORT INSULATOR**

**BUS DUCT INSULATOR**

**FRP ROD SHAFT INSULATOR**
